Re: Amendment of Section 73.202(b),
FM Table of Allotments
Rose Hill, Trenton, Aurora, and Ocracoke, NC
MM Docket No. 95-88

Dear Mr. Caton:

Transmitted herewith on behalf of Conner Media Corporation, the licensee of WBSY(FM), Rose Hill, North Carolina, is the original plus four copies of its Motion For Leave To File Supplement To Petition For Reconsideration in the above-referenced proceeding. This submission is respectfully directed to the Chief, Allocations Branch, Policy and Rules Division.

The purpose of this submission is to request leave to report a recent development material to the disposition of this matter. The associated Supplement To Petition For Reconsideration is being submitted simultaneously herewith under separate cover.

Please direct any questions or correspondence in connection with this matter directly to this office.

Very truly yours,

Ellen S. Mandell

MOTION FOR LEAVE TO FILE SUPPLEMENT TO
PETITION FOR RECONSIDERATION

Conner Media Corporation ("CMC"), by its attorneys and pursuant to Section 1.106(f) of the Commission's rules, hereby respectfully requests leave to supplement its January 17, 1997 petition for reconsideration of Rose Hill, Trenton, Aurora, and Ocracoke, North Carolina ("R&O"), 11 FCC Rcd 21223 (1996), which allotted Channel 283A to Aurora, North Carolina, and denied CMC's conflicting proposal to allot Channel 284C2 to Trenton, North Carolina and counter-proposal of Channel 221A at Aurora. The purpose of the instant supplement is to bring to the Bureau's attention a recent development material to the disposition of this matter. The associated Supplement To Petition For Reconsideration ("Supplement") is being submitted simultaneously herewith under separate cover.

In support hereof, the following is respectfully shown:

1. CMC's Petition For Reconsideration argued that the Chief, Allocations Branch, of the Mass Media Bureau ("Bureau"),

had erred in rejecting CMC's counter-proposal to allot Channel 221A in lieu of Channel 283A at Aurora, which would have paved the way for grant of new allotments at both Aurora and Trenton. The Bureau had ruled that Channel 221A at Aurora was blocked by (1) the construction permit of WRSV(FM), Channel 221A, Rocky Mount, North Carolina (File No. BPH-951002IB), and (2) unbuilt station WAHL, Channel 224C1, Ocracoke, North Carolina (File No. BMPH-950728IC). CMC showed that (1) Channel 221A could be allotted to Aurora consistent with spacing and coverage requirements to WRSV upon imposition of an appropriate site restriction; and (2) the WAHL construction permit was scheduled to expire on February 12, 1997 and was unlikely to be extended.

2. The purpose of CMC's Supplement is to submit a letter ruling dated June 27, 1997 (Ref. 1800B3-DK) ("Staff Letter"), from the Assistant Chief, Audio Services Division, which denies the WAHL extension application, cancels the WAHL construction permit and deletes the WAHL call sign. The Staff Letter clears the way for the Bureau to allot Channel 221A to Aurora in lieu of Channel 283A, thereby enabling the Bureau to also allot Channel 284C2 at Trenton.

3. In view of the materiality of the Staff Letter, which was only just issued, it is respectfully submitted that good cause exists for acceptance of the Supplement.

WHEREFORE, the premises considered, it is respectfully requested that leave to file the Supplement filed simultaneously

herewith be granted, and that the Supplement be accorded consideration with CMC's Petition For Reconsideration.

Respectfully submitted,

CONNOR MEDIA CORPORATION
